Win Maker Ayurveda Private Limited

We offer 6 Types of Incentives to reward and empower our distributors and partners:

Retail Profit

Royalty Bonus

Direct Sponsor Bonus

Leadership Bonus

Store Sponsor Bonus

Award & Reward

RETAIL PROFIT (UP TO 40%)

Retail profit is the difference between the Distributor Price (DP) and the Maximum Retail Price (MRP). It allows Independent Distributors to earn by reselling products at MRP while purchasing at a discounted rate.

Selling products directly to customers helps build a strong foundation and long-term success through repeat orders and loyal clients. Distributors can earn up to 40% profit on MRP.

Example:

If a product has:

- MRP = ₹1500
- DP = ₹900
- Then:
- Retail Profit = $MRP - DP = ₹1500 - ₹900 = ₹600$ (i.e. 40% profit)

Notes:

- DP = Distributor Price
- MRP = Maximum Retail Price
- Retail profit is not calculated/paid by the company.
- Distributors may sell at MRP and earn the profit directly from the sale.
